

# Credit Crunch, Jobs Crunch, Lifestyle Crunch, You're Crunched

## You're Crunched

## What are the most important parts of your lifestyle?

**FAMILY**

**HEALTH**

**JOB OR BUSINESS**

**HOME**

**INTERESTS**

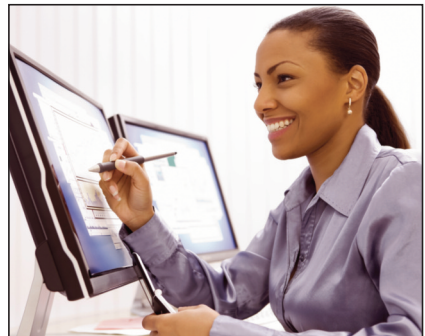

Most of these depend on getting a continuing income.

The Insurance Companies insure your Home, Health and Dependents. What can you do to protect your job/income?

This is what Trade Unions specialise in. They have the knowledge and experience to work on your behalf to balance the wealth and power of your employer.

UKAPE has been supporting Professionals in Industry and Business for over 40 years.

It is an autonomous part of a large and influential organisation and understands the Professional dimension.
